Trustees Report including Strategic Report	5
Independent Auditors report to the Trustees and Members	18
Statement of Financial Activities	23
Balance Sheet	23
Cash Flow Statement	24
Notes to the Accounts	26

### Trustees during the year ended 31 March 2021 and up to signing of Accounts.

Rory Mair	Appointed Chair 28 March 2017
	Re-elected Chair 20 February 2020
Graeme Bissett *	Appointed 28 March 2017 and Vice Chair 28 April 2018
	Re-elected Vice Chair 20 February 2020
David Dunn *	Appointed 6 March 2019
Nicholas Grier #	Appointed 28 March 2017 and re-elected 20 February 2020
Lindsay Hall #	Appointed 28 March 2017 and re-elected 20 February 2020
Sandra Heidinger *	Appointed 6 March 2019
Gil Long #	Co-opted 16 August 2018 and appointed 6 March 2019
Valerie Maehle #	Appointed 20 February 2020
Karen Nailen #	Appointed 3 December 2015 and re-elected 20 February
	2020
David Rankin *	Appointed 28 March 2017 and re-elected 20 February 2020
	Resigned 26 February 2021
Simon Rennie *	Appointed 20 February 2020
Stephen Rowan #	Co-opted 7 June 2019 and elected 20 February 2020
Callum Thomson *	Appointed 28 March 2017 and re-elected 20 February 2020
Anna Evans *	Appointed 13 May 2021

# denotes Bureau Trustee

<sup>\*</sup> denotes External Trustee

### **Senior Leadership Team:**

Derek Mitchell	Chief Executive Officer
Anne Lavery	Deputy Chief Executive Officer
George Eckton	Director of Advice Services
Polly Tolley	Director of Impact
David Brownlee	Head of Bureaux Services
Frances Donnelly	Head of Finance
Iain Forrester	Head of Information Technology
Kieron Higgins	Head of Communications
Natasha Gilmour	Head of Extra Help Unit
Vikki Shelton	Head of Human Resources
Gillian Fyfe	Strategic Lead, Strong Communities
Kate Morrison	Strategic Lead, Markets
Mhoraig Green	Temporary Strategic Lead, Strategy and Governance, appointed 30 November 2020
Nina Ballantyne	Temporary Strategic Lead, Social Justice Team, appointed 30 November 2020
Myles Fitt	Strategic Lead, Financial Health
Jenifer Johnston	Business Development Manager, resigned 7 January 2021
Jonathan Watt	Programme Manager

#### **Auditors:**

Saffery Champness LLP Edinburgh Quay, 133 Fountainbridge, Edinburgh, EH3 9BA

#### **Bankers:**

Bank of Scotland, 51 South Clerk Street, Newington, Edinburgh EH8 9PP

#### **Trustees Report including Strategic Report**

#### Strategic Report

The Scottish Association of Citizens Advice Bureaux is a company limited by guarantee and a registered charity and is governed by its Memorandum and Articles of Association which set out the objects and powers of the charitable company. In the event of the company being wound up the liability of the members is limited to £1.

The Association is also known as Citizens Advice Scotland (CAS).

Scotland's Citizens Advice Network empowers people in every corner of Scotland through our local bureaux and national services by providing free, confidential, and independent advice. We use people's real-life experiences to influence policy and drive positive change. We are on the side of people in Scotland who need help, and we change lives for the better.

At the heart of the network there are 59 individual Citizens Advice Bureaux organisations across Scotland, all operating as independent charities in their own right and generally focusing on providing support directly to clients. Each of these organisations is a member of Citizens Advice Scotland.

As the national component of the network, Citizens Advice Scotland provides training and information to bureau teams, as well as a rigorous quality assurance and monitoring programme, ensuring that the same high quality of advice is available across Scotland. We work to secure national programmes and projects that provide support to individuals on specific issues (in Scotland and across Great Britain), delivered through bureaux wherever possible and directly where that is most appropriate. We also carry out research, policy work and campaigning on key issues - based on a statistical analysis of the advice sought by clients from across the network.

2020/21 was a year like no other as a result of the Covid-19 pandemic and the resulting restrictions needed to halt the spread of the virus. This posed an extraordinary set of challenges to the network – our advice and advocacy work would never have been more needed, but restrictions on face to face advice and the fast moving nature of policy development would make it harder to deliver. As this report shows, the network didn't miss a beat, and stepped up to this once in a lifetime challenge.

#### Our vision and purpose

The Scottish Citizens Advice network has a footprint in every local community in Scotland and by linking this local offering with our national expertise in advice provision, which includes consumer and energy issues, we can ensure that people can access advice where and how they want, regardless of where they live in Scotland.

Our work is two-fold; advice and advocacy. We hold the largest data set on societal issues outside the public sector and because we are wholly independent from government, we can use our insight, evidence and influence to provide a genuine voice for people.

Our advocacy work spans working with governments, regulators and business at a UK and Scottish level on improving areas of particular detriment, undertaking research and delivering awareness and education campaigns.

We combine high quality research, first hand consumer case studies from across the Citizens Advice Scotland network and industry monitoring to identify and analyse existing and potential consumer issues. This work allows us to then engage with decision makers in government, companies and regulators and achieve changes that will benefit consumers in Scotland. This virtuous circle of advice and advocacy delivers results for communities across Scotland. We believe that every citizen in Scotland should have access to free, impartial and confidential advice that helps them make informed decisions, whenever they need it and however they choose to access it.

#### **Strategic framework**

We aim to build a fairer society by enhancing and adding value for the Citizens Advice network, which provides free access to quality information and advice for all, and by influencing for positive change.

In 2017-18 we created a strategic framework following an extensive programme of consultation and discussion.

This framework is comprised of four strategic focus areas:

- 1. Funding and income appropriate funding and income is critical to the Citizens Advice network and we have a key role to play in securing it.
- 2. Enabling service delivery high quality advice and information should be available for all who need it and to make that a reality we must work together effectively across the network.
- 3. Building brand. The brand of Citizens Advice Scotland is a valuable asset. We believe it should be protected and that by building it we can provide greater support to the network and to citizens.
- 4. Advocacy and influence. Citizens Advice Scotland acts as a voice for the network in Scotland, influencing decision makers in the interests of the network as a whole and of citizens.

In 2021/22 CAS has begun the process of refreshing our strategy.

#### **Trustees Report**

#### The once in a lifetime challenge of Covid-19

On 23 March 2020, the United Kingdom went into lockdown to slow the spread of the Covid-19 virus. The orders to stay at home meant Citizens Advice Bureaux (CABs) would have to transition to remote working quickly to get people the help they needed.

As millions of people found themselves unable to work and facing financial insecurity as a result of the pandemic, policymakers had to make fast decisions to ensure people had support.

The network's achievements over the year that followed are broken down among our strategic focus areas.

#### **Building brand**

CAS saw huge growth of our online advice content over the course of the pandemic, with 2.5 million unique users of our Advice for Scotland website.

We partnered with the Scottish Government for four separate marketing campaigns during key points of the pandemic to ensure people had access to our advice online, from CABs and through Scotland's Citizens Advice Helpline. The campaigns covered print, television, digital and radio.

We launched www.MoneyMap.scot which rounded up online options for people to boost their incomes and cut their cost of living. Since its launch in November is has attracted over 100,000 visitors.

Our campaigns programme for 2020/21 was co-designed with the network, to reflect the challenges of campaigning during social distancing and the issues CABs wanted us to reach people on. As a result we campaigned on issues such as redundancy rights, the launch of our money map and Big Energy Saving Month.

Our weekly column in the Herald newspaper ran for the full year and still does. Covering a broad range of issues from across the impact and advice services directorates, we retained a weekly national media presence on a breadth of issues very few other organisations in Scotland would be capable of.

We agreed a strategic partnership with Young Scot, which will help us reach more young people with our advice and open up opportunities for more young people to volunteer with the network.

The Scottish Parliament debated the work of the Citizens Advice network during the pandemic, with MSPs from across the chamber praising the work of CABs. During the Scottish Parliament elections we produced a video featuring the leaders of Scotland's 5 main political parties praising the work of CAB staff and volunteers.

We undertook a programme of capacity building for CABs to improve their skills when it comes to campaigning work, with sessions on media, digital and design.

#### **Advocacy and influence**

During the pandemic we started the publication of regular data reports based on the demand for advice that CABs and our public advice site were seeing, and distributed them to key stakeholders like ministers, parliamentarians and civil servants. These changes in advice patterns and growth in demand for certain areas informed decision making by government and industry on key policy areas.

We developed and published a manifesto ahead of the 2021 Scottish Parliament elections, urging the next Scottish Parliament to focus on the immediate risk people will face financially during the economic aftermath of the pandemic. Key asks were adopted in party manifestos, such as doubling the Scottish Child Payment and more investment in green infrastructure.

CAS helped those struggling financially from the economic effects of coronavirus by securing legislative change to increase the time to seek debt advice, removal of fees for bankruptcies and increasing debt thresholds, extending and making permanent debtor friendly measures in Coronavirus legislation.

We influenced the Scottish Renewal Advisory Board to include our proposal for a personcentred approach for helping people experiencing money and debt problems as one of its key recommendations in its report to Scottish Government.

CAS joined the Connecting Scotland Advisory Board and will be able to influence the future roll out of the programme. The homepage for those receiving devices via Connecting Scotland now contains links to the CAS public advice site and Bureau finder page as well as links to further information such as the Money Map tool. The Scottish Government has extended this programme, a key ask from CAS.

CAS secured protections for small charities in Scotland, working in partnership with telecommunications regulator Ofcom as part of the UK's implementation of the European Electronic Communications Code (EECC). Originally Ofcom proposed extra protections would only apply to not for profit customers with less than 10 staff (including volunteers). CAS successfully argued it would be detrimental to charities in Scotland if volunteer numbers were included. Ofcom agreed with our reasoning and decided not to proceed with this proposal. This ensures that many third sector organisations in Scotland including Citizens Advice Bureau are able to benefit from these new customer protection measures.

Our work on the devolution of social security has led to legislative change which will result in a more positive experience for disabled people.

Our unique insight in housing issues has secured the extension and expansion of protections for renters.

We successfully advocated for temporary positive changes to Universal Credit, such as the £20 per week uplift, to continue for a longer period of time in the Spring of 2021.

CAS research evidence and advocacy work on behalf of low income households has supported a decision by the Scottish Government to increase the Water Charges Reduction Scheme from 25% to 30% during 2021-27. This will provide greater financial support to households that need it most.

The Heat Networks (Scotland) Bill was passed by the Scottish Parliament on 24 February and included measures CAS lobbied for, including better consumer protections and community engagement measures.

#### **Funding and income**

We recognise that appropriate funding and income is critical to the success and impact of the whole Citizens Advice network in Scotland, and that we have a key role to play in securing it. Over the year the following projects have been delivered and introduced.

Scottish Citizens Advice network	20/21	£'m 19/20	£′m
Advice services to citizens including:		16.0	13.8
Armed Services Advice Project		0.6	0.7
Covid Support		2.3	0.0
EU Settlement Scheme		0.7	1.1
Energy Best Deal		0.7	0.6
Gambling Support Service		0.2	0.0
Money Talk Team (formerly Financial Health Check)		1.4	1.7
PASS		0.8	0.8
Pensionwise		1.8	1.7
Universal Credit		4.1	4.0
Welfare Reform		1.5	1.4
Other		1.9	1.8
Advocacy services on behalf of citizens		3.7	3.5
Support to our local bureaux		3.1	2.9
Total investment in services to Scottish citizens		22.8	20.2

We rolled out a new Gambling Support Service to raise awareness of gambling harms and deliver training to frontline workers to help recognise those at risk of gambling harms.

We continued to deliver the Help to Claim service, supporting clients applying for Universal Credit. The Service was further supported by radio advertising delivered by the DWP.

The network also secured a further year of funding to deliver the Money Talk Team and Welfare Reform projects.

New funding for a debt advice service was brought into the network following a donation from JP Morgan Chase Foundation.

#### **Enabling service delivery**

CAS works to support every bureaux to deliver the confidential, impartial and expert advice that people across the country have come to expect and over the past year this has required new approaches and investment in technology infrastructure in order to maintain these services.

Our Extra Help Unit based in Glasgow continued to support vulnerable consumers and unlocked £2M in financial redress for consumers.

The network introduced Scotland's Citizens Advice Helpline in direct response to the pandemic. This allowed advisers to continue to meet the advice needs of clients across the country by telephone throughout lockdown.

CAS secured a £1.5M grant from the Department of Business, Energy and Industrial Strategy to support our COVID response. Of this grant, CAS allocated £800k of emergency grant funding to bureaux to future proof the network, support local delivery and enhance and support digital advice. The further £700,000 was invested in network wide infrastructure improvements, for example we doubled the bandwidth of the shared services platform ensuring improved network speed and stability to further support remote working. The funding also allowed us to invest in our digital advice resources to allow timely and continuous updating of information and we provide licences to vital digital resources for advisers.

Supported by funding from a variety of sources, including Scottish Government, we ensured the network could procure PPE from approved sources and assisted in the process and we provided advice and guidance to the network as the pandemic progressed and developed training to support the return to work post pandemic.

We undertook research with focus groups and created a toolkit to support recruitment and therefore volunteer capacity for CABs to use when they are able to take on more volunteers. New materials were developed to deliver online training and to support tutors.

In terms of technology investments, we rolled out improvements to 10to8, an appointment booking system to facilitate better appointment management and allow for appropriate distancing and safety. And we migrated bureaux to the Avaya telephony system for local calls and for seamless use for national projects allowing increased flexibility of resources.

We transferred CASTLE to a cloud-based system and introduced authentication protocols which meant the system can be accessed from any location resulting in increased flexibility of workplace and we invested in the creation of a hybrid office/remote capability (VPN) and rolled it out to users across the network ensuring safe and secure home working was possible for the longer term.

We invested in a new IT service desk tool allowing better management and prioritisation of helpdesk requests and an improved service offering.

We rolled out Office 365 to all shared services bureaux and CAS staff and we invested in upgraded hardware to allow staff and volunteers to work from home successfully.

We undertook consumer research and updated our advice as the UK left the EU.

#### **Financial Performance 2020/21**

#### **Statement of Financial Activities (SOFA)**

The Statement of Financial Activities shows an 19% increase in Total Income, from £20.1M in 2019/20 to £23.9M this year. Of this total, 86% (2020: 89%) was received directly from the UK and Scottish Governments. Total Expenditure rose as well, by 12.8%, from £20.2M in 2019/20 to £22.8M. Net Movement in Funds for the year was a positive £1.1M, compared with last year's negative movement of (£134K); this is tied to the increase in Restricted and Designated Funds at year end, and the replenishment of Unrestricted Core Funds to pre-Covid levels in line with our reserves policy.

Overall, CAS distributed £12.8M to bureaux, up 15.1% from £11.1M in 2019/20. The largest increases in existing funding were for Energy Best Deal, Universal Credit — Help to Claim, Pensionwise and GambleAware, whilst the largest sources of new funding were for COVID related support (DBEIS and Scottish Government), CanDo development (Scottish Enterprise), establishing a specialist Debt Helpline (JP Morgan Chase Foundation), and establishing a Scottish Citizens Advice Helpline (Robertson Trust) projects.

The development committee made 9 (2020: 10) awards to CABs throughout Scotland totalling £666,900 (2020: £322,206) to develop services.

#### **Balance Sheet as at 31 March 2021**

Our cash balances at 31 March 2021 were £4.4M, increased from last year's position of £4.0M. Of this cash balance £0.8M is Core Unrestricted which covers 3.9 Months costs, which is in line with our cash reserves target.

Our overall Reserves position at 31 March 2021 is £4.52M, which is an increase compared to last year's total of £3.42M. Within this year's total, Unrestricted Reserves are £2.6M, of which £1.7M is designated leaving £971K of free reserves. These reserves provide sufficient working capital to cover 4.5 months' Unrestricted Charitable activities:

Reserves	At 1st April 2020	Movements during Year	At 31st March 2021
	£	£	£
Unrestricted	1,897,539	751,842	2,649,381
Restricted	1,521,037	351,875	1,872,912
Total	3,418,576	1,103,717	4,522,293

#### **Governance**

The CAS Chair is an independent appointment and all other Trustees are appointed as follows:

- Bureau Trustee (maximum 6) this can be a volunteer in a CAB e.g. a volunteer advisor or a member of the CAB's Board or a CAB Manager.
- External Trustee (maximum 6) external to the CAB service.

Candidates for the Chair, Bureaux and External Trustees vacancies go through a formal recruitment exercise with an external agency and the CAS Nominations Committee. The CAS Nominations Committee comprises the Chair of the Association, one Bureau and one External Trustee and a maximum of two representatives from the CAB network.

The initial phase of Trustee recruitment is for the Nominations Committee to analyse the current composition of the CAS Board to identify any skills gaps. The Committee can then determine the skills and experience required of any potential Trustees to ensure the requisite expertise on the Board.

The Nominations Committee reviews all Trustee applications and interviews a shortlist of candidates. Details of successful interview candidates and then submitted to the CAS Board for agreement and the agreed potential Trustees are presented to the SACAB members for election at the Annual General Meeting. Part of the business of the Annual General Meeting is to elect CAS Trustees and also members of the various Standing Committees of the Association.

To ensure stability and continuity of the CAS Board, Trustees including Honorary Officers are elected for 3 years renewable once, so the maximum term allowable is 6 years.

In the case of a vacancy arising on the CAS Board between one Annual General Meeting and the next, depending on the category of Trustee vacancy that arises, then an appropriate process to recruit a co-opted Trustee is undertaken. If the vacancy is for an External Trustee then an external agency will be used for the recruitment exercise. For a Bureau Trustee vacancy an internal recruitment process is undertaken whereby the vacancy is advertised on the CAS website. For both categories of Trustees, the Nominations Committee selection and interview process previously described will apply.

Any newly elected Trustees undertake an Induction Programme which includes meeting with the CAS executive for an overview of the organisation and meeting relevant CAS Teams. Trustees are also provided with an Induction Pack which includes organisational documentation, e.g. Annual Accounts, Strategic Plan and previous CAS Board Minutes. To ensure the Board are kept up-to-date on latest developments and to consider strategic matters, Board awaydays can also be scheduled.

Trustees do not receive remuneration, although they are entitled to claim reimbursement of reasonable travel expenses incurred in attending Board and Committee meetings.

#### Trustees' responsibilities in relation to the financial statements

The charity Trustees (who are also the directors of the Scottish Association of Citizens Advice Bureaux for the purposes of company law) are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

Company law requires the charity Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

#### **Managing Risk**

CAS and the charity sector in general continue to be challenged by a myriad of risks; including reduced funding, increased competition, brand protection, cyber-crime and fraud, as well as issues around transformation of services. The nature both of our organisation and our strategy means that we face a number of inherent risks and uncertainties.

The Board has considered carefully the type and extent of the principal risks to the organisation achieving its strategic objectives and delivering appropriate outcomes for citizens, members and stakeholders. A number of these are summarised below, categorised according to the strategic objective to which they relate most closely.

A registered Scottish Charity SC016637 and company limited by guarantee SC089892

Strategic Priority	Risk	Mitigation
Funding and Income	Reductions in funding for advice reduces service delivery	Project group established to look at scope for new funding opportunities and business development areas  Risk assessment tool developed
		to identify CAB at risk
		Continual performance monitoring implemented to ensure that project grant conditions are met
Advocacy and Influence	The transition of levy-funded advocacy areas to Consumer Scotland diminishes the ability of the network to advocate on behalf of its clients in the regulated industries.	Work is underway to redefine the advocacy role of the network within these industries, with consideration to future partnership working with Consumer Scotland to ensure that experiences of Scottish consumer are acted upon. Enhancements are being made to the data hub which will ensure that both local and EHU energy advice issues form the basis of future advocacy activity
Brand	Reputational damage reduces value of brand	Safeguarding policies and training for all volunteers and staff is in place CAS is working with CiTA to ensure with the new Digital Advice Programme that there is no deterioration in advice quality for clients in Scotland or unnecessary cost. Robust membership standards
Co. in Dali		and complaint processes in place
Service Delivery	High staff turnover creates skills gaps and lack of stability in key roles potentially impacting the delivery of the strategic plan	Creation of People Strategy with specific aim around attracting and retaining talent. Revised performance process implemented to aid retention of key staff
	COVID-19 creates significant health & safety challenges for	Government funding has helped to ensure that CAB and CAS are health & safety

A registered Scottish Charity SC016637 and company limited by guarantee SC089892

Strategic Priority	Risk	Mitigation
Service Delivery cont;		compliant. Coronavirus Advice Hub has been promoted to all bureaux; roll-out of CAB Attend Anywhere pilots
	data controls, leading to	Plan to gain Cyber Essentials Plus by 2022. Aim to offer CAB Cyber insurance in future.

At the same time, CAS recognises that adopting an overly risk adverse approach may stifle the organisation's ability to identify and benefit from new opportunities. Every action involves a degree of risk and it is the role of the executive and trustees to meet the challenges of those risks and manage them appropriately in a way that delivers optimum outcomes for our beneficiaries. Set out below is the approach to management of risk within the organisation.

#### How we manage risk

CAS has a three levels approach through which it manages significant risks. At senior management level the SLT are responsible for maintaining an effective risk and control environment as part of day-to-day operations under the direction of the Chief Executive and the Executive Team. The SLT review the Risk Register on a regular basis and consider the robustness and effectiveness of processes and controls to ensure compliance with the Board's appetite for risk, policies and delegated authority levels. The Risk Register includes specific measures taken to mitigate the effect of identified risks.

At a governance level, sub-committees of the Board, most notably the Risk, Audit and Finance (RAF) Committee, monitor the strategic risks. This committee considers the risks and, where appropriate, commissions reviews of specific risks, for example Pension Fund positions, to ensure that the SLT are taking the necessary steps to manage the risks within the organisation. The chair of the RAF Committee reports these findings to the Board, highlighting areas of concern or proposals for improvement.

The Board provide oversight and direction of risk management in accordance with their respective responsibilities. The Board review the risk register at each board meeting together with the ongoing monitoring of progress against planned improvement actions. The Board ensure the risk response is based on the assessment of potential risk exposure and an acceptable level of tolerance.

#### **Key Management Personnel**

Remuneration of all staff at CAS, including the Senior Leadership Team, is managed under the CAS pay framework in accordance with the CAS Reward Policy. All posts have a set salary range, and an individual's starting remuneration level within the salary range for their post is determined according to skills and experience. Annual salary increases are agreed through a collective bargaining process with the union and normally take the form of standard % uplift to all salaries.

#### **Going Concern**

The COVID-19 pandemic continues to cause significant disruption to societies and economies across the globe.

The charitable company has been significantly affected by the financial impact of COVID-19, and the accounts for the year ended 31 March 2021 do reflect the impact on the activities and finances of the company.

Since March 2020, and in accordance with government advice, the company has closed its premises to all but essential staff and changed to staff working remotely. At the time of writing in July 2021 the company's premises remain closed. Measures taken to contain the spread of the virus, including social distancing, travel restrictions and closures of non-essential services continue to make significant disruptions to our activities.

The future operations of the charitable company remains dependent on the continued financial support of the core funding bodies.

Against this background, the Trustees have been presented with and approved up to date management accounts, budgets and cash flow projections which include key income and cost assumptions including ongoing support from funding bodies that the Trustees consider reasonable and prudent.

Having considered the above matters, the Trustees are of the view that, at the date of approval of the financial statements, the company will have sufficient resources to continue to operate and meet debts as they fall due for the foreseeable future. The financial statements have therefore been prepared on a going concern basis.

#### **Plans for future periods**

The Trustees have confirmed that they support a review of our current strategy and that CABs should be involved in this process from an early stage. The Trustees stated that they would like to see more business planning and Key Performance Indicators set and that key stakeholders including funders should be involved in this process to ensure a wide range of experiences and expectations is captured.

#### **Disclosure of Information to the Auditor**

Each person who is a Trustee of the Board at the date of approval of this report confirms that:

- So far as the Trustee is aware, there is no relevant audit information of which CAS's auditors are unaware; and
- Each Trustee has taken all the steps he/she ought to have taken as a Trustee to make himself/herself aware of any relevant audit information and to establish that CAS's auditors are aware of that information.

By order of the Board of Trustees

Kay Mari

Rory Mair Chair **Date** 13.09.2021

#### **Independent Auditors report to the Trustees and Members**

#### **Opinion**

We have audited the financial statements of The Scottish Association of Citizens Advice Bureaux for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including, Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the charitable company's state of affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

#### Other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report which includes the Director's Report and the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Annual Report which includes the Director's Report and the Strategic Report has been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report and Strategic Report.

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- proper and adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 13, the trustees (who are also directors of the charitable company for the purposes of company law)

are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary

to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative to do so.

#### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditors under the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with regulations made under that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud are detailed below.

Identifying and assessing risks related to irregularities:

We assessed the susceptibility of the charitable company's financial statements to material misstatement and how fraud might occur, including through discussions with the trustees, discussions within our audit team planning meeting, updating our record of internal controls and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charitable company by discussions with trustees and updating our understanding of the sector in which the charitable company operates.

Laws and regulations of direct significance in the context of the charitable company include The Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the

Charities Accounts (Scotland) Regulations 2006 (as amended) and guidance issued by the Office of the Scottish Charity Regulator.

A registered Scottish Charity SC016637 and company limited by guarantee SC089892 Audit response to risks identified:

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement

disclosures. We reviewed the charitable company's records of breaches of laws and regulations, minutes of meetings and correspondence with relevant authorities to identify potential material misstatements arising. We discussed the charitable company's policies and procedures for compliance with laws and regulations with members of management responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or knowledge of any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates gave rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

A registered Scottish Charity SCO16637 and company limited by guarantee SCO89892 NOTES TO THE ACCOUNTS

For the year ended 31 March 2021

#### 1. Accounting policies

The Scottish Association of Citizens Advice Bureaux is a Company Limited by guarantee and a registered charity. It is governed by its Memorandum and Articles of Association. The Principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### **Basis of preparation**

The accounts are prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102), the financial reporting standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006.

The accounts are prepared in £ sterling.

Citizens Advice Scotland meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The accounts do not include the consolidation of the charity's subsidiary, Citizens Advice Scotland (Trading) Limited which is dormant and immaterial in respect of the results and net assets of The Scottish Association of Citizens Advice Bureaux. These accounts are those of The Scottish Association of Citizens Advice Bureaux and not its group.

#### Going concern

The COVID-19 pandemic continues to cause significant disruption to societies and economies across the globe.

The charitable company has been significantly affected by the financial impact of COVID-19, and the accounts for the year ended 31 March 2021 do reflect the impact on the activities and finances of the company.

Since March 2020, and in accordance with government advice, the company has closed its premises to all but essential staff and changed to staff working remotely. At the time of writing in July 2021 the company's premises remain closed. Measures taken to contain the spread of the virus, including social distancing, travel restrictions and closures of non-essential services continue to make significant disruptions to our activities.

The future operations of the charitable company remains dependent on the continued financial support of the core funding bodies.

A registered Scottish Charity SCO16637 and company limited by guarantee SCO89892 NOTES TO THE ACCOUNTS

For the year ended 31 March 2021

#### **Accounting policies (continued)**

Against this background, the Trustees have been presented with and approved up to date management accounts, budgets and cash flow projections which include key income and cost assumptions including ongoing support from funding bodies that the Trustees consider reasonable and prudent.

Having considered the above matters, the Trustees are of the view that, at the date of approval of the financial statements, the company will have sufficient resources to continue to operate and meet debts as they fall due for the foreseeable future. The financial statements have therefore been prepared on a going concern basis.

#### **Incoming resources**

Voluntary income includes donations and grants that provide core funding or that are of a general nature. Income is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. If any grant has been provided for a stated purpose it is treated as a restricted reserve.

Income from charitable activities includes membership fees and the sale of information products to Bureaux and is recognised as earned (as the related goods and services are provided). Income from charitable activities includes rental income which is included in the year in which it is receivable.

#### **Government grants**

Government Grants are paid directly to the organisation to meet ongoing expenditure and are recognised in the financial period the ongoing expenditure relates to.

#### **Deferred income**

Deferred income is included in the balance sheet where related expenditure can only take place in a future accounting period.

#### **Resources expended**

Expenditure is recognised when a liability is incurred. Expenditure incurred under contractual arrangements is recognised once the supplier of the goods or services has performed their part of the contract for example the delivery of goods or the provision of services.

Development Grants are made to support individual Bureaux. Grants are awarded on successful completion of a rigorous application and committee review process. Payments are provided to Bureaux for each individual project based on a tailored financial plan to fit the project critical path. Grant payments are recognised and paid upon acceptance by a Bureau of the offer of a grant and in accordance with a tailored financial plan.

A registered Scottish Charity SCO16637 and company limited by guarantee SCO89892 NOTES TO THE ACCOUNTS

For the year ended 31 March 2021

#### **Accounting policies (continued)**

Expenditure has been classified with reference to the activities performed during the year as follows:

- The costs of generating funds are those costs incurred in attracting voluntary income.
- Charitable activities includes expenditure associated with providing services and grants to Bureaux, the cost of quality and social policy activities and the costs of sales to non-member organisations. Costs include both direct costs and support costs.
- Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.
- Support costs include the cost of central functions which support the network and have been allocated to activity cost categories on a basis consistent with the use of resources such as staff costs.

#### **Fund accounting**

Funds held by the Association are either:

- Unrestricted general funds these are funds which can be used in accordance with the charitable objectives at the discretion of the trustees.
- Unrestricted Designated funds these are funds set aside by the trustees out of unrestricted general funds for specific future purposes or projects.
- Restricted funds these funds arise when money is granted to CAS for a particular purpose or project. Such reserves can only be used for the purpose specified by the donor.

#### **Tangible Fixed assets and depreciation**

Tangible fixed assets are included at historical cost. Assets costing less than £10,000 are not capitalised. Additions to Fixed Assets include the cost of irrecoverable VAT. Depreciation is allocated at rates calculated to write off the cost of each asset evenly over its expected useful life as follows:

Motor vehicles 25% straight line basis Furniture and equipment 10-33.3% straight line basis

#### **Intangible Fixed Assets other than Goodwill**

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and impairment losses. Intangible assets comprise software and the Castle computer system replacement. The assets are defined as having finite useful lives of between 3 and 5 years.

A registered Scottish Charity SCO16637 and company limited by guarantee SCO89892 NOTES TO THE ACCOUNTS

For the year ended 31 March 2021

#### **Accounting policies (continued)**

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software 33.3% Castle software 20%

Castle is the case recording system used by Bureaux and has been significantly redesigned from the previous version which had been operational for over 10 years. Therefore it is deemed appropriate to amortise this asset over 5 years.

#### **Operating leases**

Rentals payable under operating leases are charged to the Statement of Financial Activities over the lease term on a straight line basis. The aggregate benefit of any lease incentives is recognised as a reduction in rental expense and allocated over the lease term.

#### **Pensions**

Two pension schemes were in operation during the period.

The first scheme is with The Pensions Trust and is a multi-employer defined benefit scheme administered independently of the Association. It is not possible to identify on a consistent basis the share of underlying assets and liabilities belonging to individual participating employers.

Under FRS 102 the liability in respect of the funding shortfall has been recognised in the accounts and the ongoing charge in the Statement of Financial Activities and the Income and Expenditure Account relates to the contributions payable and any unwinding of the discount rates used in calculating the present value. The disclosure under FRS 102 is shown in note 22.

The second scheme with Standard Life operates as a defined contribution scheme. The assets of this scheme are also administered independently of the Association. Pension costs charged in the Statement of Financial Activities and the Income and Expenditure Account under this scheme also represent the employer contributions payable.

#### **VAT**

The charity is partially exempt and cannot recover all VAT incurred.

The cost of non-recoverable Value Added Tax is expensed in the Statement of Financial Activities.

A registered Scottish Charity SCO16637 and company limited by guarantee SCO89892 NOTES TO THE ACCOUNTS

For the year ended 31 March 2021

#### **Accounting policies (continued)**

#### **Financial instruments**

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Finance Instruments Issues' of FRS 102, in full, to all of its financial instruments.

Financial assets and financial liabilities are recognised when the Charity becomes a party to the contractual provision of the instrument, and are offset only when the Charity currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

#### Financial assets

A financial asset represents financial resources available to the charity and examples include financial investments in shares or bonds, debtors and cash.

#### **Debtors**

Trade and other debtors which are receivable within one year are initially measured at the transaction price. They are subsequently measured at amortised cost, being the transaction price less any amounts settled and any impairment losses.

A provision for impairment of trade and other debtors is established when there is objective evidence that the amounts due will not be collected according to the original terms of the contract. Impairment losses are recognised in the Statement of Financial Activities for the excess of the carrying value of the trade debtor over the present value of the future cash flows discounted using the original effective interest rate. Subsequent reversals of any impairment loss that objectively relate to an event occurring after the impairment loss was recognised, are recognised immediately in profit or loss.

Prepayments are valued at the amount prepaid. Accrued income is measured at the amount recoverable.

#### Financial liabilities

A financial liability is a financial claim on the charity's resources and examples include loans, creditors and legal or constructive obligations, including provisions for grants payable.

#### Creditors

Trade and other creditors payable within one year are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled.

A registered Scottish Charity SCO16637 and company limited by guarantee SCO89892 NOTES TO THE ACCOUNTS

For the year ended 31 March 2021

#### **Accounting policies (continued)**

#### **Investments**

CAS has a £1 investment in Citizens Advice Scotland (Trading) Limited which is dormant and not consolidated.

#### Significant judgements and estimates

Preparation of the financial statements requires management to make significant judgements and estimates. The only significant items in the financial statements where these judgments and estimates have been made are:

 Recharges to restricted funds – The methodology for the calculation of recharges is predominantly based on a headcount full time equivalent allocation and has been agreed with funders prior to budgets being approved and funding being made available.

(a company limited by guarantee)

The significant transfers made included £333K from Covid related grants towards Core spend, that had commenced towards the end of 19/20, to facilitate the remote working of both CAB staff and volunteers, aswell as CAS Staff. The transfer of £378K related to the reclassification of the Shared Services Fund, which is used to cover the ongoing running and development costs for the multi-channel delivery of advice services. A further topup was made this year of £267K to help cover the remaining Dell Lease costs for PCs/Laptops purchased for the CAB network in 2019/20. The other significant movement relates to the capitalisation of assets - £427K, accounted for through the Designated Fixed Asset Fund. Finally £97K was transferred to the Property Fund in preparation for future costs.

(a company limited by quarantee)

NOTES TO THE ACCOUNTS - continued For the year ended 31 March 2021

#### 19. Restricted, Unrestricted & Designated Funds

#### **Restricted Funds**

- A Dispute Resolution was funds brought forward from a previous year, used in conjunction with the ZCX Channel Extra Fund, towards the expansion of locally delivered telephony support for national projects. This project is closed now and new funding was obtained from The Robertson Trust in 20/21 to support the Scottish Citizens Advice Helpline (SCAH).
- Admin Help fund was set up using funds brought forward from a previous year, in conjunction with the ZCF Consumer Futures Transition fund, and is being used to fund the Business Development Officer post from October 2019 to October 2020, to support the development of Funding within our Network. This project is now complete.
- c Advice in Mind fund was set up with funding from the Big Lottery Fund and was used during 2019/20 by the Motherwell Bureau.
- d Armed Services Advice and Aged Veterans fund was set up to provide Advice for members of the Armed Forces and ex-serving personnel aged 65 and over, and their dependents.
- e Barclay Money Skills fund was set up to provide individuals with improved financial skills, to enable them to manage money better. This project is now closed with the £500 balance transferred.
- f Big Energy Savings Network BESN was set up to deliver Advice about Energy Savings.
- g Big Energy Savings Week is a fund that was set up to support a week-long consumer education campaign, to encourage people to seek energy advice. This campaign is co-designed with the Network and focused on reaching specific consumer types.
- h Can Do ScotEnt project fund was set up to find and develop innovative solutions to operational, service and policy delivery challenges.
- i Channel Extra was funds brought forward from a previous year, used in conjunction with the A Dispute Resolution Fund, towards the expansion of locally delivered telephony support for national projects.
- j Channel Strategy fund was set up using a prior year's underspend brought forward. This fund was spent during 2019/20 to provide a Referral Tool, which facilitates movement of clients between different channels.
- k CivTech Challenge funding from the Scottish Government is going to be used to link national phone calls received by the new Scottish Citizens Advice Helpline (SCAH) service with local bureaux.
- Consumer Futures Transition fund was set up using funds brought forward from a previous year, in conjunction with the Admin Help fund, and is being used to fund the Business Development Officer post from October 2019 to October 2020, to support the development of Funding within our Network. This project is now complete.
- m Covid DBEIS Support fund was set up to use funding received from the Department for Business, Energy and Industrial Strategy (DBEIS) to help CAS and the Bureaux network to deal with the effects of the COVID pandemic during 2020/21.
- n Covid SG Support fund was set up to use funding received from the Scottish Government to help CAS and the Bureaux network to deal with the effects of the COVID pandemic during 2020/21.
- o Debt Advice Natwest fund was set up to use financial support from Natwest Bank to help Citizens Advice Edinburgh handle debt referral requests, during 2020/21.
- p Development of Debt Advisor Programme fund was set up with funding from the Scottish Government during 2020/21.
- q Energy Best Deal fund was set up to deliver Advice about Energy Savings.
- r EU Readiness fund was set up to provide increased Network capacity to support citizens through the Brexit process and its after effects.
- s EU Settlement Home Office Funding was set up to deliver Advice and Assistance for EU Nationals seeking residencies during Brexit.
- t EU Settlement SG Funding was set up to deliver Advice and Assistance for EU Nationals seeking residencies during Brexit.
- u Eviction Rights Campaign was set up to publicise Tenants' Rights against eviction, arising mainly from the Covid pandemic. This project is now complete.
- v External Liaison fund was set up by a £10,000 transfer from the SEPA Training Fund in 2016/17. The £4,342 balance remaining at 1 April 2019 was spent on Public Affairs & Corporate Communications Support and closed in June 2019.

(a company limited by guarantee)

NOTES TO THE ACCOUNTS - continued For the year ended 31 March 2021

#### 19. Restricted, Unrestricted & Designated Funds

#### Restricted Funds, cont;

- w Extra Help Unit fund was set up to give support to consumers about energy advice, on a UK wide referrals basis, and is 90% funded by DBEIS and 10% by the Scottish Government.
- x Financial Inclusion Prudential fund was set up to develop Financial Inclusion projects across the CAB network. This project is now complete.
- y Flood Resilience fund was set up to build a Flood Resistance Network across CABs. This project is now complete.
- z Gamble Awareness fund was set up to deliver Advice and Assistance about Gambling Addiction.
- General Consumer Advocacy (Rest of Economy) fund was set up to support consumers on all other Advocacy matters not covered by the Levy Funded Consumer Advocacy fund, including Funeral Poverty.
- bb Help To Claim (formerly Universal Credit) fund was set up to deliver Advice and Assistance for people claiming Universal Tax Credits.
- cc Just Giving Otto Thoresen fund was set up to give awards to Volunteers working in Bureaux to recognise their efforts and achievements.
- dd Kinship Care fund was set up to provide support for people who look after their grandchildren. After a tender, the Scottish Government awarded this project to another party.
- ee The LEAP project fund was set up to provide grants and training to local CABS, to give advice and solutions to clients about fuel debt and fuel poverty.
- ff Levy Funded Consumer Advocacy fund was set up to support consumers on Energy, Post and Water matters and is funded by the Scottish Government.
- gg Martyn Lewis fund was set up to receive funding of £85K and £81K in 2012 and 2013 from Martyn Lewis for Debt Advice. This funding as been used for delivery of Training by Bureaux, with the final balance remaining of £8,770 to be used for this purpose in 2020/21. This project is now complete.
- hh Matrics Extra fund was set up to pay for the post of Money Advice Consultant.
- ii Money Advice (MATRICS) fund was set up to provide training and advice to all advisers who give free debt advice to the public.
- jj Money Advice Trust fund, funded by the Money Advice Trust, was set up to review and update E-Learning Modules on providing Money Advice.
- kk Money Maximisation campaign fund was set up to publicise financial resources available to the public to enable them to maximise their income. This project is now complete.
- Il Money Talks (formerly Financial Health Check) fund was set up to enable Bureaux to give advice to people about their Financial Heath, by face-to-face, Telephone and Webchat channels.
- mm Open Government Booklet was set up with funding from the Scottish Government to explain how Open Government works in Scotland.
- nn Patient Advice and Support Service (PASS) fund was set up to help citizens raise concerns about NHS issues.
- oo Pension Wise/Guidance fund was set up to deliver Advice and Assistance about peoples' pensions.
- pp Post Xmas debt advice fund was set up to distribute Scottish Government funding to Bureaux, to provide Advice to citizens during the post Christmas Holiday period.
- qq PPI Project is a Payment Protection Support fund set up to support the provision of advice about Personal Protection Insurance. This project is now complete.
- rr Scam Awareness fund was set up to deliver Advice and Assistance for people was have been scammed.
- ss Scottish Citizens Advice Helpline (SCAH) fund was set up with funding from The Robertson Trust to enable the public to access local advice via the phone.
- Sharing Best Practice MultiChannel Debt Advice fund was set up with funding from the Scottish Government, to provide training resources available to the Bureaux network, to enable them to access Debt Advice from various sources.
- SLAB Funding 18/19 for 19/20 was set up to use some underspends brought forward from previous years, to help Bureaux mitigate the effects of reduced funding from the Scottish Legal Aid Board in 2019/20, as agreed by the Scottish Government. This project is now complete.
- spark Energy & EON fund was set up to use fines imposed on those companies that were assigned to CAS. £125,000 was received in 2015, which has been used to provide grants and training to Bureaux, to give advice and solutions to clients about fuel debt and fuel poverty.
- ww Specialist Debt HelpLine J P Morgan fund was set up to provide Bureaux with funding to give post COVID Multichannel Debt Advice assistance.
- xx SSE Energy Advisors fund was set up to provide four Energy Advisors supporting the north of Scotland.
- yy Stats Data Hub fund was set up to collect Client information for Advocacy Research.
- zz Water Industry Commission project fund was set up for Policy support.
- aaa Welfare Reform fund was set up to mitigate the impact of Social Security changes.

(a company limited by guarantee)

NOTES TO THE ACCOUNTS - continued For the year ended 31 March 2021

#### 19. Restricted, Unrestricted & Designated Funds

#### **Designated included within Unrestricted Funds**

bbb	The Accountant in Bankruptcy DAS payments is a fund that was set up to collect receipts from AIB, for work done by Bureaux to provide Debt Advice, prior to the Development
	Committee deciding how these funds can best be used to support the Network.
ccc	Ayrshire CABS Development fund was created to support the development of a CAB presence in Ayrshire.
ddd	The Castle Computer Replacement project was set up for a major upgrade, including extra functionality which went live in October 2017, the funding being carried forward

The Castle Computer Replacement project was set up for a major upgrade, including extra functionality which went live in October 2017, the funding being carried forward towards further developments in line with our Strategic Plans, legislative changes and ongoing user requirements.

There remains a small balance CF to 20/21 to complete Castle upgrades.

eee The Debt Advice Pilot project was completed in 19/20 and was set up to test the delivery of multi-channel debt advice across North Lanarkshire.

The Designated fixed asset & intangible asset fund was set up to enable certain capital expenditure to be shown both as an expense for budget purposes and as an offset against Fixed Asset additions.

ggg Development Returns arose from a late repayment of development grant from a Bureau. During 19/20 it was used towards the Windows upgrade programme for Bureaux.

hhh The Digital Advice Project was set up towards the replacement of AdvisorNet, which is necessary because of changes being made by our sister charity in England & Wales.

This work is still ongoing with the target to be completed by April 2022.

iii Programme Management was set up to manage the fluctuations between contractual and actual costs, over a period of time.

jjj The Property Fund was set up to provide for meeting the cost of dilapidations and other associated costs at the end of property leases.

kkk Small Grants Fund was set up by the Development Committee to encourage Bureaux to apply for smaller grants to meet the cost of contingencies and short-term requirements.

III Technology Infrastructure Fund (formerly Shared Services restricted) was set up to support IT running costs in Bureaux, including hardware and software licences.

(a company limited by guarantee)

21.

NOTES TO THE ACCOUNTS - continued For the year ended 31 March 2021

# 20. Net cash (outflow) from operating activities

Reconciliation of net incoming / (outgoing) resources to net cash (outflow) from operating activities	2021 £	2020 £
Net incoming/(outgoing) Resources	1,103,717	(134,235)
Interest receivable during year	(728)	(8,857)
Proceeds from sale of fixed assets	(893)	
Operating surplus/(deficit)	1,102,096	(143,092)
Depreciation and amortisation	546,099	267,622
Repayments on Finance Lease	134,148	33,661
Decrease in debtors	418,305	24,551
Decrease in creditors	(1,363,827)	289,835
Net cash inflow from operating activities	836,821	472,577
Financial instruments		
Financial instruments measured at amortised cost include the following:		
	2021	2020
	£	£
Financial assets		
Trade Debtors and amounts due from Bureaux	52,909	367,593
Accrued Income	418,002	697,891
Other Debtors	15,800	21,055
	486,711	1,086,539
Financial liabilities		
Trade Creditors	(469,482)	(1,084,072)
Accruals	(342,897)	(282,071)
Sundry Creditors	(44,030)	(67,460)
	(856,409)	(1,433,603)

No financial instruments are held at fair value.

# 22. Pension obligation regarding participation in multi-employer defined benefit plan

The Company participates in a multi-employer scheme which provides benefits to some 950 non-associated participating employers. The scheme is a defined benefit scheme in the UK. It is not possible for the Company to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore, it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004, which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The scheme is classified as a 'last man standing arrangement'. Therefore, the Company is potentially liable for other participating employers' liabilities if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out at 30 September 2017. This valuation showed assets of £794.9M, liabilities of £926.4M and a deficit of £131.5M.

(a company limited by guarantee)

NOTES TO THE ACCOUNTS - continued For the year ended 31 March 2021

## 22. Pension obligation regarding participation in multi-employer defined benefit plan (continued)

To eliminate this funding shortfall, the Trustees have asked the participating employers to pay additional contributions to the scheme as follows:

#### **Deficit contributions**

From 1 April 2019 to 31 January 2025 **£11,243,000 per annum** 

(payable monthly and increasing by 3% each on 1<sup>st</sup> April)

From 1 April 2016 to 30<sup>th</sup> September 2028

(payable monthly and increasing by 3% each on 1<sup>st</sup> April)

£54,560 per annum

The recovery plan contributions are allocated to each participating employer in line with their estimated share of the Series 1 and Series 2 liabilities.

Where the scheme is in deficit and where the company has agreed to a deficit funding arrangement the company recognises a liability for this obligation. The amount recognised is the net present value of the deficit reduction contributions payable under the agreement that relates to the deficit. The present value is calculated using the discount rate detailed in these disclosures. The unwinding of the discount rate is recognised as a finance cost.

#### **FRS102 DISCLOSURE REPORT**

	2021	2020	2019
	£	£	£
Present value of provision	254,609	301,678	365,962
Reconciliation of opening and closing provisions			
Provision at start of period	301,678	365,962	487,489
Unwinding of the discount factor (interest expense)	6,778	4,630	7,801
Deficit contribution paid	(62,554)	(60,732)	(62,821)
Remeasurements - impact of any changes in assumptions	8,707	(8,182)	3,345
Remeasurements - amendments to the contribution schedule			(69,852)
Provision at end of period	254,609	301,678	365,962
	2021	2020	2019
	£	£	£
Income and Expenditure impact			
Interest expense	6,778	4,630	7,801
Remeasurements - impact of any changes in assumptions	8,707	(8,182)	3,345
Remeasurements - amendments to the contribution schedule			(69,852)
	15,485	(3,552)	(58,706)
	2021	2020	2019
	% per annum	% per annum	% per annum
Assumptions			
Rate of discount	0.66	2.53	1.39

The discount rates shown above are the equivalent single discount rates which, when used to discount the future recovery plan contributions due, would give the same results as using a full AA corporate bond yield curve to discount the same recovery plan contributions.

# NOTES TO THE ACCOUNTS - continued For the year ended 31 March 2021

# 23 Analysis of changes in net cash 20/21

	At start of		New Finance	Д	t end of
	year	CashFlows	Leases	У	ear
	f	. f		£	£
Cash	3,985,649	391,323	-	4	1,376,972
Finance Lease Obligations	(368,940)	134,148	-	(	(234,792)
Total	3,616,709	525,471	_		1,142,179

No loans are in place; the Finance Lease related to the purchase of PCs and laptops for the network.

# 24 COVID 19 Impact

At the end of the 19/20 financial year the impact of Covid-19 resulted in increased spend on IT equipment and infrastructure to support the network in being able to deliver their services remotely. This has resulted in the reduction in Unrestricted Reserves that is shown in this set of accounts. During the early part of 20/21 this additional spend has continued but CAS has been able to get additional funding from both the private and public sector to support this; because of this we have managed to reinstate our unrestricted reserves back to the targeted level during this year and it remains stable for the end of this financial year.
